

Financial Support Form

1. If patient's income is 0 or very low, complete the financial support form.
2. Be sure to get their Social Security number and fill it in (also add it to the EMR).
3. Find out who is supporting them and their relationship to the patient. Get the full address and telephone number of the supporting person(s).
4. Don't forget to ask the patient if they have applied for Medicaid and whether or not they've been accepted.
